

VILLAGE OF THORSBY

EMERGENCY HEAVY SNOWFALL REMOVAL PLAN

Average Annual Alberta snowfall – 128 cm
Snow fall over last 10 days – 55cm
Expected snowfall this weekend – 15-20 cm Sunday & 15cm Monday

Notice to Residents

In response to recent heavy snowfall and the expected upcoming event, please be advised that snow will only be removed from the streets and the emergency response plan may result in windrows in front of driveways.

The Village will continue to do everything possible to remove the snow from the streets.

We ask that you please bring out your community spirit and assist any neighbours who may need assistance as we work through this event together.

Your patience and co-operation is appreciated.

Please assist, by ensuring vehicles are removed from the street when the grader is working in your area.
