Two – Spirit & Indigiqueer Pasts, Presents & Futures

In recognition of Pride Month (June) and Indigenous Peoples Day (June 21), join us as we explore the diverse histories of gender and sexuality on Turtle Island (what is now known as North America) pre-colonization. This workshop will help participants to recognize the effects of colonization on Indigenous gender and sexual diversity throughout history, and provide hopeful paths towards the acceptance, support, and celebration of queer Indigenous folks. In this workshop, we will explore strategies that foster decolonial allyship practices in the workplace and our personal lives.

This workshop will be presented by The Fyrefly Institute for Gender and Sexual Diversity.

Date: Friday, June 13, 2025

Time: 1 to 3 p.m.

Location: Online

Home Alone: Parent & Child

Do you think your child is ready to start staying home alone occasionally for short periods of time? Does your child have some experience being home alone? No matter what your situation, this workshop will enhance your child's skill and confidence to stay home alone while giving you the knowledge about what your child needs in order to be ready.

This workshop focuses on home alone skills and readiness, as well as emergencies, back up plans and scenario practices. Children must be a minimum of nine years old to attend. A parent or caregiver must be in attendance.

Date: Tuesday July 22

Time: 6 to 8 p.m.
